RECOGNITIONS

Priscilla Westcott is no stranger to the BVIFA as she has been around football for over 20+ years. She once worked in the FA office in the early 2000's and currently holds the position of Secretary on Islanders FC Executive Body.

Her football journey never stops. Priscilla gained an interest in Match Commissioner when the FA hosted a Concacaf Match Commissioner Workshop in August 2023. This initiative came when the FA saw the need to implement MC's to their league and tournaments for the 2023/24 football season where she mastered the called to duty on match days. She attended a Concacaf Match Commissioner Course in March 2024. Thereafter, Priscilla was appointed as the FA Match Commissioner in training for the FIFA World Cup Qualifier game against USVI and again had the privilege of shadowing the FIFA Match Commissioner in the most recent WCQ game against Guatemala on June 8, 2024. She has been a volunteer worker for many of the FA International home games and never stop offering her services and dedication to football.

Outside of the football world, she presently works with the Government of the Virgin Islands Water and Sewerage Department as well as being a devoted family woman.

Priscilla we salute you in being a true champion for all these years ✨
